

NEW PRODUCT LAUNCH!

TECHNIWELDUSA

BLUE STAR

1/4" TWIN HOSE 100' HAND CRANK U-SHAPE HEAVY DUTY HOSE REEL*

CNC robotically spun and ribbed discs with rolled edges provide strength, safety, and durability

Compact, solid, single piece of heavy gauge steel in a "U" shaped frame with open drum design

Composite bearings for smooth rotation and direct hand crank for easy mechanical retraction

Knob is replaceable and easy to install

External fluid path with 90 degree full-flow dual ported brass swivel, offering both connections from the same side of the reel

Professional grade heavy-duty steel construction

Long-lasting, chip-resistant, and rust-inhibiting powder coat finish

Adjustable tension brake to prevent "free-wheeling" during operation, transport, or storage

Item Number:

BSHDHOSEREEL

**Hose not included*
