Item# AG1252/ Sizes L & XL

- Superior split cowhide
- 14" Length
- ANSI A6 Cut Resistant DuPont Kevlar® lining on fingers, palm, and back of glove
- Double reinforced straight thumb provides protection where it's needed most

DRIVERS

Item# AG1420/ Sizes S - XXL

- Premium pearl top grain cowhide
- Gunn cut
- Straight thumb for the best grip
- Leather rolled cuff
- Added strength derived from double stitching on forefinger
- Unlined

DRIVERS

Item# AG1464/ Sizes S - XXL

- Premium top grain cowhide palm
- Sewn with DuPont Kevlar® thread for added strength and heat resistance
- Wing thumb for a natural feel
- Rolled index finger
- Elastic in the cowhide split back for a snug fit

Item# AG1415A3/ Sizes M - XL

- Super Premium top grain goatskin construction for the best dexterity
- ANSI Level 3 Cut Protection and Abrasion Resistance
- Goat skin has a natural lanolin content that keeps gloves and hands soft
- Keystone thumb
- Elastic back and wrist provides secure fit

Item# AG1415A4/ Sizes M - XL

- Super Premium top grain goatskin construction for the best dexterity
- Sewn with DuPont Kevlar® thread for added strength and heat resistance
- Goat skin has a natural lanolin content that keeps gloves and hands soft
- Keystone thumb
- ANSI Level 4 Cut Protection and Abrasion Resistance

DRIVERS

Item# AG1457/ Sizes L & XL

- Premium top grain cowhide leather with superior cut resistance
- DuPont Kevlar® liner provides ANSI A7 cut resistance
- Leather fingers and palm provide excellent dexterity
- Added strength derived from kevlar double stitching on forefinger
- Extra thick premium leather provides ANSI Level 5 puncture resistance
- Cinched cuff keeps out dust and debris
- Premium leather offers ANSI level 4 Abrasion protection
- Keystone thumb

Item# AG1424/ Sizes M - XL

- Super Premium cowhide leather provides great tensile strength & abrasion resistance
- Forefingers are double stitched for extra strength
- Keystone thumb provides comfortable fit
- Premium rolled leather cuff
- Unlined
- Gunn Cut

MIG

Item# AG48/ Sizes S - XL

- Premium goatskin palm and split cowhide back
- Stays soft under hot conditions
- Fleece lined for extra heat protection without added bulk
- Sewn with DuPont Kevlar® thread for added strength and heat resistance
- Seamless forefinger and straight thumb provides the best gun grip and reliability
- 3 1/2" cuff for extra protection. Gripping wrist elastic creates a snug feel
- Thumb strap reinforcement provides additional strength

MIG

Item# AGBT88/ Sizes S - XL

- Premium top grain palm leather glove
- Sewn with DuPont Kevlar® thread for added strength and heat resistance
- Rest pad provides wrist comfort and heat protection
- Lined and padded palm provides comfort, heat protection, and premium feel
- Thumb strap reinforcement
- Drag pad offers extra heat protection where it counts
- Ideal combination of dexterity and durability

Item# AG49/ Sizes L - XL

- Top grain goatskin palm has a natural lanolin content that keeps gloves and hands soft
- Stays soft under hot conditions
- Sewn with DuPont Kevlar® thread for added strength and heat resistance
- Fleece lined for extra heat protection without added bulk
- Reinforced thumb provides protection where it's needed most
- Premium split cowhide leather back is naturally insulated when used in high temperatures
- 5" cuff provides added protection
- Thumb strap & patch reinforcement provides added protection
- Glide patch provides side protection

Item# AG1357/ Sizes L & XL

- ANSI A7 Cut Resistant Lining
- Sewn with DuPont Kevlar® thread for added strength and heat resistance
- Premium top grain cowhide palm and fingers provides great tensile strength and abrasion resistance
- 4" Cuff for added protection
- Wing thumb provides better fitting and grip

TIG

Item# AG1328/ Sizes L & XL

- Goat skin has a natural lanolin content that keeps gloves and hands soft
- Sewn with Dupont Kevlar® thread for added strength and heat resistance
- 4" split cuff provides added protection
- Wing thumb provides better fitting & grip

Item# AG1332/ Sizes L - XL

- Premium top grain goatskin construction for the best dexterity
- Reinforced thumb provides protection where it's needed most
- Premium goatskin leather offers ANSI Level 3 Puncture and Abrasion Resistance
- Goat skin has a natural lanolin content that keeps gloves and hands soft
- ANSI A6 Cut Resistant Palm Lining
- Glide patch provides side protection
- Flexible straight thumb provides the best gun grip and reliability

MECHANICS

Item# AG1470/ Sizes S - XXL

- Premium top grain goatskin construction for the best dexterity
- Reinforced leather thumb protects wear areas better than thinner, single layer leather
- Fingertips are wrapped in leather and double stitched for extra strength and abrasion resistance
- Napp (Rough Side) of the leather is on the exterior of the glove to improve grip
- Adjustable TPR cuff allows for minor adjustments to fit
- Double palm helps increase the life of the glove
- Spandex back allows sweat to evaporate and provides a better stretch feel
- Natural goatskin provides abrasion resistance

Item# AG1488/ Sizes S - XL

- Premium top grain goatskin palm and back for superior feel and dexterity
- Sewn with black DuPont Kevlar® thread for added strength and heat resistance
- Additional focus on the "V" of the thumb enhances the feel of the glove
- Spandex free, Ideal for TIG welding
- Minimum length elastic cuff in the cowhide split back for a snug fit
