**ARE YOU TIRED OF YOUR FAVORITE WHITE PIPELINER FIBERGLASS HOOD BEING OUT OF STOCK? WELL WE HAVE AN OPTION FOR YOU!**

# FIBERGLASS

**WELDING HELMET UP FOR PRE-ORDER!**

*PRE-ORDER NOW TO GET THEM AT THIS SPECIALLY DISCOUNTED PRICE!*

## FEATURES:

- The Sugar Scoop is not only built tough, it's even lighter than the leading competition for added comfort!
- To match the characteristics of the "big name" pipeliner we've developed a proprietary blend of fiberglass and poly for added resilience
- *This is class A+ quality. No electrically conductive carbon fiber materials here! Our product is almost certifiably better than the original with a more ergonomic shape to allow for more maneuverability without sacrificing on safety*
- Painted white to reflect more heat
- Moisture proof and impact resistant fiberglass helps to prevent cracks, chips, and splits
- Fixed shade 10 filter included and can be replaced by any 2 x 4.25" filter lens, including the AGCLAIRVOYANT2.0, AGMAGE, AGARCANE, AGSEER2X4
- Meets ANSI non-conductive and impact standards, ANSI Z87.1, as well as CSA Z94.3, EN379
- Lens Shade: 10      ■ Lens Size: 2" x 4 1/4"

## DID YOU KNOW?

A 200lb man standing on the shell won't break this helmet! We finally were able to break it with a hammer and here are the fiberglass fibers inside that make it so strong

## PRE-ORDER TIMELINE & DETAILS

**We support the distributors first who support Techniweld USA!**

- Pre-orders may be placed until April 1, 2023
- We expect the first containers to arrive by April 15, 2023
- For the first 2 months after stock arrives, only distributors who have pre-ordered will have access to reorder
- In order to ensure availability of product to our loyal customers, during this time, reorders will be capped at 2x each distributor's pre-order quantity. For example, if a distributor pre-orders 12 helmets prior to April 1, then from April 15-June 15, a maximum of an additional 24 helmets may be re-ordered and shipped
