## TUNGSTEN GRINDER

Techniweld USA TIG Star™ MR. POINTY is an enclosed tungsten grinder, which significantly reduces harmful tungsten dust exposure to both the user and the environment. Properly ground tungstens improve arc starting and stability, reduce tungsten shedding, increase tungsten life and enhance welding consistency.

### NEW MR. POINTY FEATURES:

- Adjustable head! Grinding Discs Last 3 X LONGER!!!
- 3 position adjustment. Each position allows for grinding on a different area of the grinding disc
- Mr. Pointy Tungsten Grinder has the ability to grind away contaminated tungsten unlike other more expensive grinding machines
  - 110 Volt Enclosed Tungsten Grinder
  - Never have to worry about porosity or contaminated electrodes with this portable tungsten grinder
  - Create stronger, better looking welds with this tool while saving yourself time and money!
  - Increase performance with greater arc control when working
  - More precise sharpening than a typical bench grinding wheel
  - Multiple diameters and possible angle positions when grinding to create the perfect point you need!
  - Built in dust cap to minimize dust exposure
  - Perfect sharpening tool for professionals, students, and hobbyists
