**Knit sleeve, medium weight,
double-ply aramid/cotton with
thumb hole and non-slip end**

Features

- Double-ply aramid and cotton knit sleeve provides comfortable all-day arm and wrist protection from cuts and moderate heat.
- Aramid fibers can withstand heat up to 600 degrees Celsius (over 1000 degrees F) without melting or ignition.
- Cotton ply inside provides cool comfort
- Overedged with red thread to prevent unraveling or fraying
- Thumb hole overedged in red provides comfort while preventing sleeve from migrating up arm
- Non-slip material bar tacked in end of sleeve helps keep the sleeve securely in place on the upper arm preventing discomfort from the sleeve migrating down the arm.

Technical Specifications

- **Sleeve Weight:** Medium
- **Outer Ply:** 100% knit aramid
- **Lining:** 100% knit cotton
- **Overedging:** 100% polyester
- **Width:** 3"
- **Length:** 18"

Applications

- Metal fabrication
- Sheet metal
- Plastic molding
- Glass manufacturing
- HVAC and electrical
